SUMMIT RESOURCES

Attorney General Pam Bondi, along with the Statewide Council on Human Trafficking, the Florida Department of Juvenile Justice, the Florida Department of Children and Families and the University of Central Florida, would like to invite you to the 2017 Florida Human Trafficking Summit.

Florida's Human Trafficking Summit brings together local, state and national leaders working to eradicate all forms of trafficking. The one-day Summit will bring together over 500 attendees from areas covering law enforcement, service providers, survivors, healthcare professionals, educators, legislators and community leaders. Throughout the day, attendees will participate in targeted breakout sessions, workshops and training opportunities.

One of the duties of the Council is to hold an annual statewide policy summit with an institution of higher learning. Leaders in our state are committed to making Florida a zero-tolerance state for human trafficking. Opportunities for collaboration created at the Human Trafficking Summit will allow Florida to continue working to protect victims, prevent trafficking and prosecute traffickers.

This website will provide the necessary information for all Floridians interested in participating in this year's Summit. We look forward to seeing you in Orlando!

Registration for the Summit is FREE.

Space is limited so you are encouraged to pre-register to reserve your space.
