Independent Auditor's Report

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Child Guidance Center, Inc. and Child Guidance Foundation, Inc. (the "Organizations") (nonprofit organizations), which comprise the combined statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organizations as of June 30, 2023 and 2022, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Child Guidance Center, Inc. and Child Guidance Foundation, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditor's Report
(continued)

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organizations' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards* , we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organizations' ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report
(continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 21, 2023, on our consideration of the Organizations' internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organizations' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organizations' internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Nature of Activities and Significant Accounting Policies

Nature of Activities

Child Guidance Center, Inc. (the Center) and Child Guidance Foundation, Inc. (the Foundation), are nonprofit entities (the "Organizations") organized under the laws of the State of Florida. The Center provides treatment, counseling, and prevention for mental health and related problems to children, adolescents, and their families. The Center's goal is to provide such services to all individuals requesting assistance, regardless of their ability to pay. The Foundation was formed in October 1988 for the purpose of fundraising and creation of public awareness as well as holding title to real and personal property used by Child Guidance Center, Inc. The Center and the Foundation are located in Jacksonville, Florida, and share members of the same Board of Directors (the Board), which consists of volunteers from the community.

Financial Statement Presentation

In accordance with generally accepted accounting principles, consolidated financial statements have been presented for the Center and Foundation since the Center has control over, and an economic interest in the Foundation. All intercompany items have been eliminated.

In accordance with generally accepted accounting principles, the Center is required to report information regarding financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. In addition, the Center is required to present a statement of cash flows and statement of functional expenses.

Net Assets Without Donor Restrictions:

Net assets without donor restrictions are not subject to donor-imposed stipulations.

Net Assets With Donor Restrictions:

Net assets with donor restrictions are subject to donor-imposed stipulations that may or will be met by actions of the Organizations and/or the passage of time.

Functional Expense Allocation:

The costs related to the administration of the Organizations' programs have been detailed in the statement of functional expenses, and are summarized on a program basis in the statement of activities. Personnel and operating expenses which are associated with a specific program are charged directly to that program. Personnel and operating expenses which benefit more than one program are allocated to the various programs based on the relative benefit provided. Administrative expenses represent indirect costs of administering these programs.

Cash and Cash Equivalents:

The Organizations consider all highly liquid investments with original maturities of three months or less to be cash equivalents.

Client Service Receivable:

Client service receivables primarily consists of amounts due from third-party payers including federal and state agencies (Medicaid programs) and commercial insurance companies and are stated at net realizable value. Management has estimated an allowance for doubtful accounts based on the nature of the accounts and historical collections efforts. Any balances still outstanding after reasonable collections efforts are written off through a charge to the allowance offset to the insurance receivable.

Note 1. Continued

Public Support Receivable:

Public support receivable consists primarily of amounts due to the Center from governmental units and local grantors under the terms of various contracts. No allowance for doubtful accounts has been established due to the nature of these agencies.

Land, Building and Equipment:

Land, building and equipment are recorded at historical cost at fair market value at the date of donation. Additions with a cost or fair value in excess of $1,000 are capitalized. Depreciation is computed using the straight-line method over the useful lives of the various assets, which range from 5-30 years. The Center and Foundation commences depreciation in the month of acquisition. The State of Florida is entitled to the proceeds from the disposal of certain land, building and equipment in accordance with grant provisions.

Periodically, management reviews property and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of assets may not be recoverable. Impairment is measured by comparing the carrying amount of the asset to the sum of expected future cash flows (undiscounted and without interest charges) resulting from use of the asset and its eventual disposition. Management believes that there are no impairment losses on long-lived assets as of June 30, 2023 and 2022.

Concentrations of Credit Risk:

The Center's financial instruments that are exposed to concentration of credit risk consist primarily of cash and cash equivalents. The Center places its cash and cash equivalents with high credit quality institutions. At times these financial instruments may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limits.

Public Support:

Public support from government grants are recorded based on the terms of the grantor allotment which generally provides that revenue is earned when the allowable costs or units of service of the specific grant provisions have been incurred or provided. Such revenue is subject to audit by the grantor and, if the examination results in a non-allowance of units of service or expenses, the Organization will be required to reimburse any overpayments.

Contributions:

In accordance with generally accepted accounting principles, contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions, depending on the existence and/or nature of any donor restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

The Center and Foundation report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of operations and changes in net assets as net assets released from restrictions. Conditional promises to give are recognized when they become unconditional, that is, when the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. The Organizations did not have any unconditional promises to give at June 30, 2023 and 2022, respectively.

Net Patient Revenue:

Net patient revenue is recorded at standard rates which are reduced by allowances based upon the client’s financial capabilities and by amounts estimated by management to be non-reimbursable by third-party payors and state programs under the provisions of applicable program payment arrangements. Final determination of amounts earned is subject to third-party payor audit and retroactive adjustments. Net patient service revenue is recognized as performance obligations are satisfied, based on the nature of services provided.

Financial Statement Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes:

Child Guidance Center, Inc. and Child Guidance Center Foundation, Inc. are private not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code. The Center and the Foundation are exempt from federal and state income taxes on related income.

The Organizations apply generally accepted accounting principles related to income tax uncertainties. The Organizations have determined that there were no unrecognized tax benefits for the years ended June 30, 2023 and 2022. The Organizations file tax returns in the U.S. federal jurisdiction. Tax years that remain subject to examination by major tax jurisdiction are 2020 and forward.

Subsequent Events:

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through December 21, 2023 the date the consolidated financial statements were available to be issued.

Accounting Pronouncements Issued:

Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments - Credit Losses: Measurement of Credit Losses on Financial Instruments*, which changes the impairment model for most financial assets. This Update is intended to improve financial reporting by requiring timelier recording of credit losses on loans and other financial instruments held by financial institutions and other organizations. The underlying premise of the Update is that financial assets measured at amortized cost should be presented at the net amount expected to be collected, through an allowance for credit losses that is deducted from the amortized cost basis. The allowance for credit losses should reflect management's current estimate of credit losses that are expected to occur over the remaining life of a financial asset. The income statement will be effected for the measurement of credit losses for newly recognized financial assets, as well as the expected increases or decreases of expected credit losses that have taken place during the period. ASU 2016-13 is effective for annual and interim periods beginning after December 15, 2020, and interim periods beginning after December 15, 2021. In November 2019, the FASB issued ASU 2019-10, *Financial Instruments – Credit Losses (Topic 326), Derivatives and Hedging (Topic 815), and Leases (Topic 842)*, which defers the effective date of ASU 2016-13 until annual periods beginning after December 15, 2022. Management is in the process of evaluating the effects the adoption of this update may have on the financial statements.

Accounting Pronouncements Adopted:

Leases

In February 2016, the FASB issued ASU 2016-02, *Leases*, which establishes a comprehensive lease standard under generally accepted accounting principles for virtually all industries. The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase of the leased asset by the lessee. This classification will determine whether the lease expense is recognized based on an effective interest method or on a straight line basis over the term of the lease. A lessee is also required to record a right of use asset and a lease liability on the balance sheets for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance for sales type leases, direct financing leases and operating leases. The Organizations adopted this ASU and related amendments as of July 1, 2022, under the modified retrospective approach such that no prior year amounts were reclassified to conform to the presentation requirements. There was no material impact to the financial statements as a result of adoption.

Note 2. Public Support Receivable

As of June 30, 2023 and 2022, public support receivable was composed of:

	2023	2022
Family Support Services of North Florida, Inc.	7,324	25,217
United Way (Kids Hope Alliance and Duval County Public School Funding)	168,672	78,583
LSF Health Systems (Florida Department of Children and Families)	434,386	439,102
Other	332,998	4,428
	943,380	547,330

Note 3. Land, Building and Equipment

Major classes of land, building, equipment and accumulated depreciation are as follows:

	2023	2022
Land	297,707	297,707
Building	1,464,800	1,464,800
Furniture, equipment and software	596,125	583,250
Leasehold and building improvements	917,821	917,821
	3,276,453	3,263,578
Less accumulated depreciation	2,336,223	2,275,040
	940,230	988,538

Depreciation expense for the years ended June 30, 2023 and 2022 was approximately $61,184 and $75,117, respectively.

Note 4. Retirement Plan

The Center established a Retirement Savings Plan (The Plan) effective July 1, 1985. The Plan covers full-time and part-time employees who have completed three months of service and are scheduled to work at least 1,000 hours of service during the plan year. Employees become fully vested after five years of service.

Until May 2018, the Plan required the Center to make contributions matching the employees' deferrals up to 6%. There were no mandatory contributions for the years ended June 30, 2023 and June 30, 2022. Retirement plan contributions are reported as fringe benefits expense in the consolidated statements of functional expenses.

Note 5. Note Payable

Note payable obligations at June 30, 2023 and 2022 are as follows:

	2023	2022
The note is dated February 26, 2014, and provides for monthly installments of $3,674 consisting of principal and interest at 5.75%. The mortgage is collateralized with real property and matures March 15, 2024, with a balloon payment of $193,673 due at maturity.	217,044	247,504
Less current portion of note payable	217,044	30,460
Note payable, less current maturities	0	217,044

Note 5. Note Payable, Continued

The following is a schedule of maturities of the above long-term debt:

Year Ending June 30,	2024	217,044
	2025	0
	2026	0
	2027	0
	2028 and thereafter	0
		217,044

Note 6. Net Patient Revenue

Net patient revenue includes amounts received from Medicaid and commercial insurance, as well as self-pay, for the years ended June 30, 2023 and 2022, as follows:

	2023	2022
Medicaid, less reserve adjustment	2,113,849	2,099,117
Commercial insurance	175,599	105,631
Self-Pay	94,969	0
Total	2,384,417	2,204,748

Note 7. Fair Value Measurements

The carrying amounts reflected in the statements of financial position for cash and cash equivalents, client service and public support receivables, prepaid expenses and other current assets, accounts payable, accrued compensated absences and other current liabilities approximates fair value due to the relative terms and/or short maturity of these financial instruments. The fair value of note payable at June 30, 2023 and 2022 approximates carrying value due to the interest rates in effect.

Note 8. Liquidity and Availability of Resources

The Organizations' financial assets available within one year of the statements of financial position date at June 30, 2023 and 2022 for general expenditure are as follows:

	2023	2022
Cash and cash equivalents	358,705	374,131
Client service receivable	97,081	113,720
Public service receivable	943,380	547,330
Total financial assets available within one year	1,399,166	1,035,181
Less:		
Amounts unavailable for general expenditures within one year	0	0
Total financial assets available to management for general expenditures within one year	1,399,166	1,035,181

The Organization maintains a policy of structuring financial assets to be available as general expenditures, liabilities, and other obligations come due.

Note 9. Concentration of Revenue Source

The Organization receives substantial support under Medicaid and governmental pass-through entities. During the fiscal years ended June 30, 2023 and 2022, support recognized under these arrangements amounted to 80.0% and 83.7% of total revenues and 58.4% and 91.6% of total assets, respectively.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Child Guidance Center, Inc. and Child Guidance Foundation, Inc. (nonprofit organizations), which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 21, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Child Guidance Center, Inc. and Child Guidance Foundation, Inc.'s ("the Organizations") internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organizations' internal control. Accordingly, we do not express an opinion on the effectiveness of the Organizations' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organizations' consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organizations' consolidated financial statements are free from material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organizations' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organizations' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
